Step free, uneven pavements and
moderate hills.

How To Play

Quest Type:

This Quest is in three parts,
Continuous quests, played
throughout the afternoon.

Part 1 is a spot and discover, around
The Open Market and The Level.
Part 2 is a search to solve an
anagram around the North Laines.

They are all scored separately so you
can focus one, two or all.
Part 1 is more child friendly.

The Map:

The map shows the area the quest is
played in, colour coded to each part.
You can achieve the continuous
challenges anywhere.

Difficulty:

Fairly easy but if you're not a local
you may want to sparingly use
google as needed.

**Write READY in the box below
To check your phone**

How To Score

Each Questions is worth 1 point
+ any stated bonus points

Solo:

Complete part 1 or 2 or both and
check your answers against the
solutions provided and see how you
did!

In Teams:

Play in teams of 2-6, get together at
the end and check each others
answers to see who won!

Disputes:

People do not have the same
experiences & will inevitably
interpret things in different ways.
To help prevent arguments we
advise electing a fair friend as judge
or agreeing on a democratic vote
for any possible disagreements.

Errors:

All care is taken to keep our quests
correct and up to date.

However the world is constantly
Changing, so if on your adventure
you notice an error, please email
Quests@meiam.org with details
